## 6. PAYMENTS.

The Site and basic Services of KSC, including access to the basic KSC information network and KSC forums, are free for Members. Other Exclusive services, including training information, shift scheduling, time management, invoicing and payment processing services, and some KSC generated content (collectively, “**Exclusive Services**”) are included to Members who have completed their profiles and are “active” members. By using our **Exclusive Services**, Client agrees to be charged fees by KSC for care services performed on a weekly basis at the agreed upon hourly rate during specified hours provided by the client.

KSC reserves the right to pre-authorize a Client’s Credit/Debit Card the cost of the care to be delivered on an upcoming week per invoice. Pre-Authorization provides a guarantee of funds available for payment for any Caregiver provided to the Client during the current work week, referred to as a set-aside on your credit card. This set-aside reduces your available credit line temporarily until the capture is performed. This is known as an “Authorize and Capture.”

KSC is not responsible for and will not reimburse any fees incurred by Client from their bank or other financial institution, including without limitation overdraft charges, insufficient funds charges, interest charges, or finance charges, which may have occurred as a result of charges billed by KSC.

KSC reserves the right to correct any errors in the payment of KSC fees even if it has already requested and/or received payment. Client will remain responsible for the KSC fee and any other applicable fees in connection with any refund or chargeback of a Client’s payment.

KSC may use third party payment processing services to process credit card information. KSC expressly disclaims any and all liability for any claims or damages related to KSC’s use of third-party payment processing services, including without limitation any damage that may result should any such information be released to any third parties.

All payments relating to services provided by a Caregiver to a Client must be made through the payment channels provided or specified by KSC. No Client may make any payments directly to a Caregiver through any other payment channels. **Any action that encourages or solicits complete or partial payment outside of the**

**KSC system is a violation of this Agreement.** Should a Client be found in violation of this section of the **Client's Member Terms of Use**, it will owe KSC fees equal to the greater of a) \$2,500; or b) the applicable fees had the payments been processed through the KSC system plus 10%. You shall immediately notify KSC if another Member requests that payment be made directly or through any channels other than those provided or specified by KSC. Acceptance of payments outside the approved KSC channels or without the approval of KSC may result in the permanent removal of both the Caregiver and the Client, and each party may not be allowed to use the system again without paying a \$250 reinstatement fee. This paragraph is also applicable to a Client who finds a Caregiver using the KSC site and decides to pay the Caregiver directly circumventing the KeepSafeCare.com system to hire or pay them. In this case, KSC reserves the right to access a \$2,500 finder's fee to the Client's account and both parties will be removed from the KSC site.

Our inclusion of links to such websites does not imply any endorsement of the materials on such third-party websites or any association with their operators. It is your responsibility to review the privacy policies and terms of use of any other website you visit. You agree that in no event will we be liable to you in connection with any websites, content, products, materials, or practices of any third party, including other Members. You bear the sole responsibility and liability for maintaining backup or archive copies of your data and/or submissions to the site and services.
